

SOUTH HAMS DISTRICT COUNCIL

Notes to accompany Decision Notices

Building Regulations - This decision is not a decision under the Building Regulations and the applicant should ensure that all necessary approvals for the same proposal and same plans are obtained before commencing any work on the site. See www.devonbuildingcontrol.gov.uk for further information.

Discharge of Conditions - If your application has been approved with conditions then any pre-commencement conditions must be discharged before work starts. The fee to discharge conditions is per request, not per condition, and it is therefore more cost effective to discharge all conditions at once. Listed Building Consents are exempt from fees.

Amending your permission (only applies to planning permissions) - If you want to change some details of your planning permission and it is a very small change you can apply for a Non Material Amendment. Larger changes may need a Variation of Condition application to amend the plans condition or a new Planning Application.

Adherence to approved plans/conditions - Failure to adhere to the details of the approved plans or to comply with the conditions contravenes the Town and Country Planning Act 1990 and enforcement action may be taken.

Right of Appeal - further information about appealing can be found at:

http://www.planningportal.gov.uk/uploads/pins/procedural_guide_planning_appeals.pdf

If you are aggrieved by a decision to refuse permission or to grant it subject to conditions you can appeal to the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at www.planningportal.gov.uk/planning/appeals/. Appeals must be made on the correct form relating to the type of application you submitted. Information provided as part of the appeal process will be published online. In some circumstances the Planning Inspectorate may refuse to consider an appeal.

- Appeals must be made within 8 weeks of the date of this notice.

High Court Challenge/Judicial Review

As there is no third party right of appeal the only route available for an objector to challenge a decision is through the courts. Legal advice should be sought before considering this option.

Purchase Notices

If the Local Planning Authority or the Planning Inspectorate refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council requiring them to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Disabled Persons

Where any planning permission granted relates to buildings or premises to which the public are to be admitted (whether on payment or otherwise) or to premises in which persons are employed to work, your attention is drawn to Sections 4, 7 and 8a of the Chronically Sick and Disabled Persons Act, 1970 and to the British Standards Institutions Code of Practice for Access for the Disabled to Buildings.

Full Planning Application REFUSED

Town and Country Planning Act, 1990
Town and Country Planning (Development Management
Procedure) (England) Order, 2015

Application: 0388/24/FUL

Received: 1 February 2024

Proposal: Change of use of land to surf school & siting of two storage containers (retrospective)

Location: Land at SX663 436, Bantham, Kingsbridge

Applicant: The Bantham Estate Ltd
c/o agent

Agent: Mrs Rachael Leather
PO Box 247
Tavistock
PL19 1FJ

The South Hams District Council hereby **REFUSE** permission to carry out the development described above **for the following reasons:**

1. The siting of two storage containers, associated paraphernalia and associated change of use of the land to enable the continued operation of a surf school within the natural dune system is unsympathetic and uncharacteristic, and as a result of the continued presence of the containers the landscape condition of the area in the vicinity of the containers is deteriorating. The development fails to protect, maintain and enhance the unique landscape character and special qualities of the Undeveloped and Heritage Coast, and also fails to conserve and enhance the natural beauty of the South Devon National Landscape, which is afforded the highest degree of protection. The development is therefore contrary to, respectively, Policies SPT12, DEV23, DEV24 and DEV25 of the adopted Plymouth and South West Devon Joint Local Plan 2014-2034, Policies TP1, TP22 and TP23 of the made Thurlestone Neighbourhood Plan 2015 – 2034, the Plymouth and South West Devon Supplementary Planning Document, adopted South Devon AONB Management Plan and the National Planning Policy Framework, including but not limited to paragraphs 180 and 182.
